Known for its bespoke experiences, from petal covered walkways to private film screenings on the beach, The Nautilus Maldives is one of those highly sought-after gems of Maldivian hospitality that always leaves a mark on those who visit the beautiful Bohemian-inspired island. This February, the award-winning private island resort is launching its *Month of Love* for couples who want to say "I Do" all over again to re-ignite the spark and commemorate the love that has deepened and matured between them. Leaving no stone unturned in order to ensure a memorable *Vow Renewal* experience of a lifetime, The Nautilus has undoubtedly become a utopia for couples who want to celebrate their romance.

Because every couple is different, every Vow Renewal Ceremony is artfully tailored to the couples' personal preferences and desires to ensure they live this special day like a true fairytale. Imagine exchanging vows against a spectacular backdrop where the vast Indian Ocean meets the blue-hued skies with the resort's private yacht anchored nearby to whisk a couple away into the sunset. This special sandbank celebration set-up can be as simple or as elaborate as envisioned, from a flowered wedding arch for an intimate ceremony, to a bigger affair with a Boho-styled tent, bonfire, fireworks, a bottle of Krug Champagne for toasting and the rhythmic beating of Bodu Beru drums before and after the ceremony.

The following day, the couple could start with a floating breakfast in the house pool and the day can either unfold into an adventuresome excursion or simply turn into a relaxing time in one's house or at Solasta Spa. A dedicated House Master will be available to help create the perfect itinerary during a couple's stay, so one can cater to their lover's every whim. One can even rent out the entire island for the ultimate alone time with loved ones. The Nautilus's stunning surroundings also serve as an ideal canvas for a dream wedding with a wealth of venues and experiences to choose from.
